

building and a recreation building to house the boys ranging from 18 to 28 years old, known as the Civilian Conservation Corps. These CCC enrollees developed the park through tree planting, native stone masonry and wood construction, road construction and path work, watershed and erosion controls, and water construction projects. President Franklin Roosevelt's "tree army" also joined artisans in constructing buildings and shelters. Most of their original work is still present throughout much of Versailles State Park.

During fall 1937, Company 596 was pulled from Versailles to work in Oregon. By April 1943, the National Park Service deeded the property to the state of Indiana, and the "Versailles Project" became Versailles State Park, Indiana's second-largest state park. Today the park includes 5,988 acres.

Construction of Versailles Lake began in January 1954. Using prison laborers, the 230-acre lake was built as an area water supply and recreation outlet, opening to the public for boating, fishing and swimming in June 1958. New facilities and features have been added to the park over the years. A swimming pool complex, complete with a waterslide, opened in 1987. As a result swimming in the lake is no longer permitted.

Running directly through the park is Laughery Creek, named after Col. Archibald Lochry, a Revolutionary War soldier. In 1781, Col. Lochry and his men were traveling down the Ohio River to meet with George Rogers Clark at the Falls of the Ohio. Before they arrived, the soldiers died in a battle with Native Americans where Laughery Creek enters the Ohio River, just south of Aurora, Ind.

An abundance of history lies below the park's surface. Over time Laughery Creek has cut its way through Silurian reef limestone, creating rugged cliffs and exposing fossil-rich, 475-million-year-old Ordovician rock. Throughout many of the park's creeks, hikers will find fossils, including bryozoans, brachiopods, corals and crinoids. Numerous sinkholes and associated springs point to an extensive underground drainage system that dominates the park.

The park's beautiful hardwood forests provide expansive habitats for songbirds and a variety of wildlife.

To learn more about Versailles State Park and the opportunities that the park provides, visit the Nature Center located near the lake. Its interactive exhibits prove to kids of all ages that a trip to Versailles can be both educational and recreational.

Enjoy your visit to this rich, historical Indiana State Park. Please come back.

VERSAILLES STATE PARK

As the sun tucks away behind the picture-perfect backdrop of red, blue and purple clouds, the loud squawk of a great blue heron breaks the silence as it glides effortlessly over Versailles Lake. Anglers cast glowing bobbers to prepare for a night of catfish excitement as a family of raccoons eagerly searches the banks of Laughery Creek for crawdads.

Another family lights its campfire near the tent to enjoy a night of marshmallows and ghost tales narrated by distant owls.

This is just another day-in-the-making at historic and rural Versailles State Park.

In August 1934, during the Great Depression, the National Park Service announced plans to develop a federal park on 1,700 acres of marginal Ripley County farmland. By fall, land was secured for the Versailles Recreation Demonstration Area, the first federal park in Indiana. The following January, more than 200 young men known as Company 596 arrived to begin work. The first focus was constructing 15 barracks, a mess hall, an administration

THIS IS YOUR PARK

Visitors shall observe the following rules, which are designed to fulfill the purpose for which state parks were established, namely, to preserve a primitive landscape in its natural condition for the public's use and enjoyment.

RULES AND REGULATIONS

- Do not injure or damage any structure, rock, tree, flower, bird or wild animal. Do NOT gather limbs, brush or trees (either dead or alive) for firewood because they rebuild the natural humus.
- Any firearm (except validly licensed handguns) BB gun, air gun, CO₂ gun, bow and arrow, or spear gun in possession in a state park must be unloaded or un-locked and stored in a case or locked within a vehicle, except when the owner is participating in an activity authorized by written permit.
- Dogs and cats must be attended at all times and kept on a leash no longer than 6 feet.
- Vending or advertising without permission of the Department of Natural Resources is prohibited.
- Camping is permitted only in the campground. No youth groups are permitted in the family campground.
- Fires shall be built only in designated places.
- Please comply with the Carry In/Carry Out trash policy in all day use areas. Overnight guests must put waste in receptacles provided for that purpose.
- Motorists shall observe posted speed limits and park only in designated areas.
- Swimming is limited to the pool, when lifeguards are on duty.
- Horseback riders shall ride on horse trails only. Horses are not permitted on hiking trails.
- The park is closed from 11 p.m. until 7 a.m. No one is allowed entrance into the park between those hours, except anglers and registered campers at their site.

For a complete list of rules and regulations, inquire at park office.

DESCRIPTION OF TRAILS

1. MODERATE (2.25 miles)—Circles upland woods and ravines along the eastern bluff of Laughery Valley, featuring oak, hickory, maple, beech, tulip poplar, black walnut and other native trees. Look for limestone sinkholes along the way. Trail can be accessed from below, from the Old Fire Tower Road or near Oak Grove picnic area. Parents, please watch children at road crossings.
2. MODERATE (2.75 miles)—Makes a figure 8 along the hill of the southern edge of Fallen Timber Creek/ravine. The trail rounds Campground A to near the CCC-constructed Oak Grove shelter, where Trail 1 can be picked up. Encircling Campground A, access can be made near Oak Grove picnic area, behind Trailside shelter, from several points in the campground, and from Fallen Timber bridge at the lake.
3. EASY (1.5 miles)—Begins north of Fallen Timber bridge and goes east along Fallen Timber Creek. Crosses the creek three times before joining Trail 2. Numerous invertebrates inhabit the creek bottom.

PLEASE STAY ON MARKED TRAILS!

Mountain bike trail maps are available at entrance gatehouse and mountain bike trailhead.

Please let wild animals remain wild. Feeding animals is prohibited. Feeding of all wild animals can result in harm to both animals and people. Animals who depend on handouts become a nuisance to park visitors and a danger to themselves. Please lock all food and coolers inside cars or campers.

SWIMMING—A 25-meter swimming pool with a 100-foot waterslide is available. A children's waterplay area with wading pool and "rainmaker," a bathhouse with lockers, showers and a concession area are part of the complex. Swimming is prohibited in Versailles Lake.

CENTRAL RESERVATION SYSTEM

Reservations for all types of camping, family cabins, and shelters at state parks, reservoirs and forests can be made online or by calling toll-free.
