

How to Request an Eagle Scout Time Extension Due to COVID-19

The BSA National Advancement Team has announced a TEMPORARY advancement policy change during the current COVID-19 emergency. A Request for Eagle Scout Time Extension Due to COVID-19

To the Crossroads of America Council Advancement Committee:

I am a Life Scout who is currently registered in this council, and I believe that the effects of the COVID-19 coronavirus epidemic will prevent me from completing advancement to the rank of Eagle Scout before my 18th birthday. I am continuing to work on those requirements that can be completed under the current conditions, but some cannot be done without violating the current health guidelines. I have a clear plan for continuing with those requirements when conditions allow, and I will continue to develop that plan.

I am hereby requesting a time extension to finish my advancement to Eagle rank. I understand that if approved, this extension will allow me three months after my 18th birthday to finish all requirements for the Eagle rank (not including the board of review). I have also filled out and attached Parts B and C to describe the major requirements of my unfinished service project and any merit badges that remain to be completed when conditions permit.

I also understand that when I turn 18, I need to register with as an adult Scouter (position code UP – Unit Participant), sign a background check authorization, and complete Youth Protection Training to continue work on my advancement.

PLEASE PRINT CAREFULLY – ACCURACY MATTERS!
